Today in the SDS

Today in the Staff Development Squadron, the cadets produced a Jodie in which they predicted the future in its verses. The Jodie is about the present SDS flight, the 4th Cadet Training Group, and the future 5th and 6th Cadet Training Groups.

The SDS also had a class in lesson planning taught by Maj Michael Donat. The SDS cadets learned that class lesson planning is a very important part of being a leader in any group.

SDS JODIE

(to the tune of "Drive On")

Drive on Golf Ball Flight
We don't get much sleep at night
Were almost losing our eyesight
Someday we'll all be free
Just until the 5th CTG

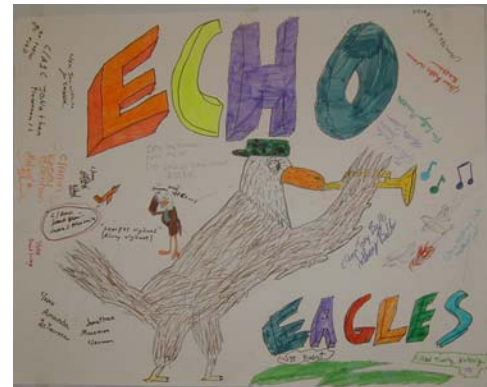

Drive on 4th CTG
Your starting to look like a team
Keep it up with your PT
And when you feel the burn
It will be the 5th CTG's turn

Drive on 5th CTG
Your looking good as the Marines
Don't stop cleaning the latrines
Could be better with inspections
6th CTG will make the corrections

Drive on 6th CTG
To Dalbec's word you should pay heed
After that you'll learn to lead
So far you're looking alright
But don't go down without a fight

HOOAH!
